

There has been
an annual
procession in
Ath since 1399

Giants were popular in many processions in the Middle Ages

The floats were huge and clanking and impressive

No correctness of any kind here

Everybody wears a distinctive necklace

Ahh, frites....

And the real parade begins

See, the
uniform still
fits!

Every band
needs
drummers

It's good
to stay in
character,
but a man
does get
thirsty
