

DE TWEELANDENPUZZEL BAARLE - NASSAU - HERTOOG

The Two Land Puzzle of Baarle

Baarle-Hertog is a little Belgian town completely surrounded by Holland, and which in turn completely surrounds parts of its neighbor, Baarle-Nassau

The whole place is about 5 km from the Belgian border, and is part of an archipelago of islands within islands

The Village
Map

A Dutch door and a Belgian door - into the same foyer.
The front door of a building determines its nationality.
